PETITIONS OFFICE

Sir:

This is in response to the decision of the Petitions Examiner dated October 19, 2001, in the above-entitled matter. In accordance with the requirement set forth in the Decision, there is enclosed a Notice of Appeal which also authorizes the payment of the appeal fee.

Petitioner confirms the statement in the original petition under 37 CFR §1.137(b)(3) that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR §1.137(b) was unintentional. On behalf of Petitioner, notice is also given to the PTO that the interpretation set forth on Page 2 of the decision dated October 19, 2001 was a correct

interpretation. It is therefore respectfully submitted that the above-entitled patent application should be revived and a Notice of Allowance and Payment of Issue Fee be sent out to the undersigned attorney.

Respectfully submitted
